Introduction

The Ministry of Manpower is relying on public key infrastructure (PKI) service known as (TAM) and provided by the Information Technology Authority represented by the National Digital Certification Center to authenticate the Ministry services without the need to visit the ministry physically.

What is Tam?

Tam is an Electronic Certification service provided by the National Digital Certification Center (NDCC) at the Information Technology Authority (ITA). This service enables all Omani citizens and residents to use the government electronic services and transactions in a higher level of security, authenticity and integrity to protect all eTransactions made through ID card and/or mobile SIM card.

Why do I need Tam?

You need Tam to prove and authenticate your digital identity to ensure processing all eGovernment services in a fast and easy way, to save time, efforts and money. Tam Service is regulated by the eTransaction law which provides citizens and residents with the level of trust needed to handle their eTransactions as the same as paperwork and physical presence based transactions."

What are the benefits I get from Tam?

By opting for Tam, you will enjoy the following benefits:

- Your personal data will be secured and protected.
- Authentication of your digital identity online without the need for your physical presence.
- The ability to sign any document or application electronically.
- Having eSignature valid and trusted with the same legality as regular signature.
- The ability to validate and integrate the signed documents.
- 24/7 access to government services from everywhere.
- Saving money, time and effort.

How do I get my Tam service?

To get your Tam service, you may choose from the following options:

- Via your identity card or resident card.
- Via your mobile SIM card.

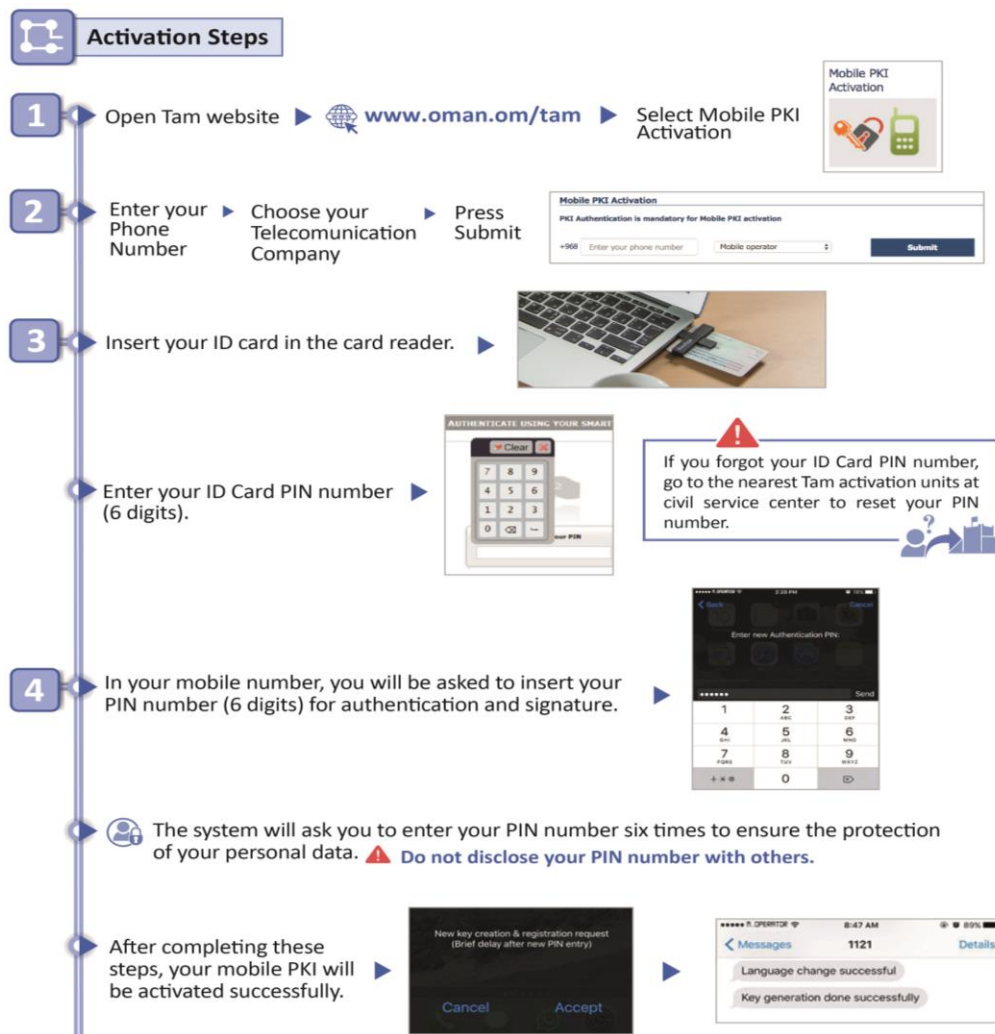

How can I access electronic services (using Mobile PKI)?

If you have activated Tam service on your eID card, you can now easily activate your Mobile Tam service online. Just make sure to change your SIM card to a Tam-enabled SIM card available in Omantel or Ooredoo outlets and registered by your own name. Then, visit www.oman.om/tam , and follow the instructions in the website to do the activation.

Note:

- If your ID/Resident card does not Support PKI, please activate it on the Directorate General of Civil Status.
- Be assure that you have Card Reader, to do the Activation on Your SIM card.

Below explanations show activation method using Mobile SIM Card:

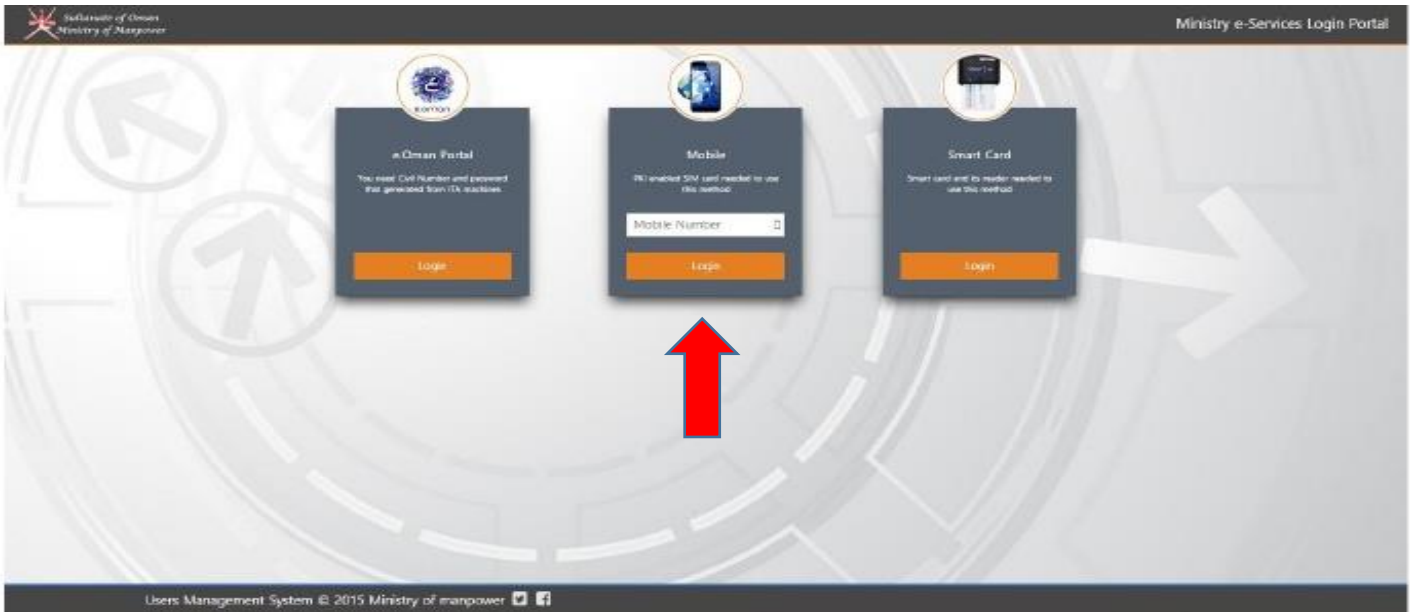

Below explanations show login method using Mobile PKI:

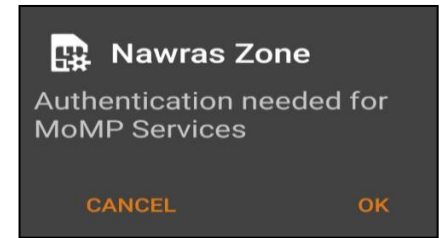

1. Login to any organization's website: www.manpower.gov.om
2. Go to Login

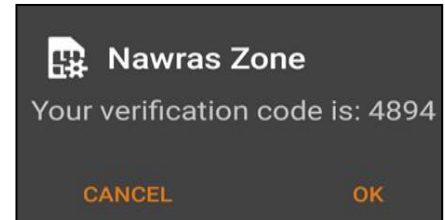

3. Press login using Mobile.

4. You will receive notification on your mobile for Authentication, so press (OK).

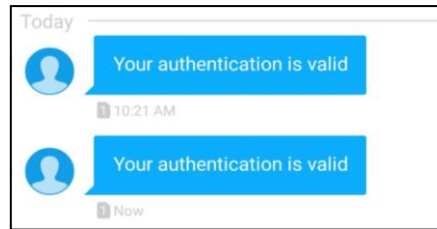

5. You will receive notification with a Verification Code.

6. Enter your PIN Code.

7. You will receive a message after successfully completing the authentication process.

8. You will be identified automatically (as shown below), after sending your Personal information.

Sending Personal Information from PKI

9. Now you can complete your transactions in the Ministry website.
